

GUNK® BRAKE PARTS CLEANER CHLORINATED

AM720C

Quickly removes brake fluid, dust build up, and oil from brake parts and C.V. joint assemblies. Can be used without disassembling the brake unit. Dries completely and leaves no residue. Brake pads or linings that have been heavily damaged (impregnated) with oil or grease should be replaced, not cleaned. To help retard the release of airborne particulate matter, follow the DIRECTIONS for use carefully. Professional Users must read the SDS before using this product. SDS available at solvewithb.com
