BRAKE CLEANER IS CHANGING. FOREVER.

The EPA is **banning the sale of perchloroethylene (PCE)** in consumer products, including **Chlorinated Brake Cleaners**. This creates a major shift in the category.

MARCH 8, 2027 - SALE OF CHLORINATED BRAKE CLEANER PROHIBITED

JUNE 11, 2026
Manufacturing for consumer use is prohibited

SEPT 9, 2026
Manufacturing for industrial use is prohibited

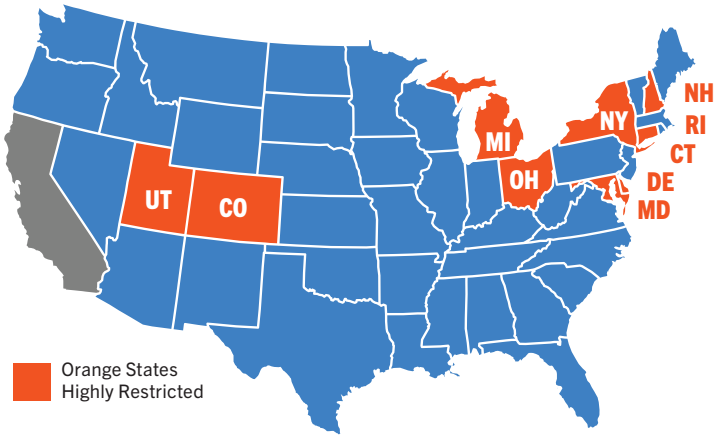

DEC 8, 2026

MARCH 8, 2027
Retail sales end for consumer use

JUNE 7, 2027
Distribution for industrial use is prohibited

REGULATORY CHANGE CREATES OPPORTUNITY

Many states already restrict high-VOC and chlorinated brake cleaners, creating growing demand for compliant solutions. GUNK POWERFUL AF ACETONE-FREE BRAKES PARTS CLEANER is **49-State Compliant** and a great alternative to soon-to-be-banned chlorinated options.

OUTCLEANS LEADING NON-CHLORINATED BRAKE CLEANERS BY 70%*
